PUBLIC SAFETY REALIGNMENT ACT (AB109) REVIEW - FIRE

DEPARTMENT - FISCAL YEAR 2013-14

In October 2013, your Board directed the Chief Executive Office (CEO) to develop a schedule of recommended audits for all departments that receive Public Safety Realignment Act (AB109) expenditure reimbursements. This is the first in a series of reports per our recommended audit schedule on February 25, 2014 (Attachment I). Other audits are in progress and the reports are forthcoming.

We completed a review of the Fire Department's (Fire or Department) AB109 expenditure reimbursement requests for the 2nd and 3rd quarters (October 2013 to March 2014) of Fiscal Year 2013-14, totaling approximately \$120,000. Our review included an evaluation of the Department's internal controls over their AB109 fiscal operations. Based on our review, the Department accurately stated their AB109 costs, and has implemented adequate internal controls over their AB109 fiscal operations.

We thank Fire management and staff for their cooperation and assistance during our review. Please call me if you have any questions, or your staff may contact Robert Smythe at (213) 253-0101.

PUBLIC SAFETY REALIGNMENT: FIRST QUARTERLY REPORT ON BUDGET AND PROGRAM PERFORMANCE MEASURES (ITEM 94-B, AGENDA OF **OCTOBER 8, 2013)**

On October 8, 2013, the Board of Supervisors directed the Chief Executive Officer to initiate quarterly budget and performance reports for the Public Safety Realignment Act (AB109), including:

- a) A summary of revenue and expenditures;
- b) Narratives to explain the variances between expenditures and budget:
- A comprehensive list of items that have been funded with one-time revenue, but require ongoing funding commitments; and
- d) Updates on programmatic priorities and achievements of stated outcomes.

In addition, the Board requested the development of a fiscal audit schedule and options to evaluate the AB109 programs and services delivered by County departments and community-based organizations.

REVENUE AND EXPENDITURES

The State's Fiscal Year (FY) 2013-14 Budget allocated \$338,130,000 to the County for AB109 programs and services. As of January 31, 2014, the County has received \$156,968,000 or 46 percent of the budget allocation.

Each Supervisor February 25, 2014 Page 2

The Auditor-Controller (A-C) established trust accounts specifically for the remittance of AB109 funds from the State. Although funds are allocated to County departments, these funds remain in the trust accounts and are not distributed to the departments until the Chief Executive Office (CEO) and A-C approve quarterly claims for reimbursement of AB109 related costs. Claims are submitted during the month following the close of each quarter. Given the State's AB109 remittance schedule runs from a September through August calendar, compared to the County's fiscal calendar, a cap has been placed on the quarterly claims for cash-flow purposes. Any claims exceeding the quarterly cap will need to be absorbed by the department until the end of the FY; whereupon, any unreimbursed claims will be reconciled up to each department's annual AB109 budget allocation. Should a department's AB109 claims result in a fiscal year-end deficit, the CEO may recommend the Board utilize any remaining allocations from other departments or tap into the AB109 Reserve to make the department whole; otherwise, the department will absorb those AB109 costs within its regular budget.

For FY 2013-14 County departments have been reimbursed \$136,420,000 or 40 percent of the budget for AB109 claims submitted through January 31, 2014 (Attachment I). The second quarter claims for several departments are still pending CEO and A-C review prior to disbursement.

As reflected in Attachment I, the Probation Department (Probation) and Sheriff's Department (Sheriff) have exceeded their respective quarterly caps by a combined \$8,094,000. We anticipate Probation and Sheriff will end the FY with AB109 deficits; however, there may be savings in the other departments that may be used to mitigate AB109's impact on their regular budget.

PROGRAM DIRECTORY AND PERFORMANCE MEASURES

A comprehensive directory of AB109 programs, funded with ongoing and one-time funds, has been developed to report on each department's quarterly expenditures and progress toward meeting stated annual performance targets. The current quarterly report reflects the department's performance status as of January 1, 2014, and the first quarter reimbursed claims (Attachment II).

FISCAL AUDIT SCHEDULE

The A-C has concluded a preliminary review of each department, including interviewing department managers and staff and reviewing expenditure reports, claims, and supporting documentation. The A-C subsequently developed a list of five factors to evaluate the risk presented by each department: 1) the amount of budgeted AB109

funding; 2) each department's internal controls and methodology for tracking and reporting expenditures; 3) the type of service provided; 4) the materiality of prior audit findings; and 5) the types of AB109 related expenditures incurred by each department.

Based on these audit factors, the A-C proposes the following fiscal audit schedule:

- all 1921 to 18

FY:	2013-14
January to March 2014	April to Jun 2014
Relative High Risk Departments: • Mental Health • Probation • Sheriff	Relative Lower Risk Departments: Alternative Public Defender District Attorney Executive Office of the Board (CCJCC and ISAB) Fire Health Services Public Defender Public Health
FY 2	014-15*
Quarterly Audits	Annual Audit
Mental Health	Alternative Public Defender
Probation	District Attorney
Sheriff	 Executive Office of the Board
	• Fire
	 Health Services
5.1	 Public Defender
19	Public Health

^{*} The audit schedule for each department is subject to FY 2013-14 audit findings.

INDEPENDENT PROGRAM EVALUATIONS

The Countywide Criminal Justice Coordinating Committee (CCJCC), in consultation with the CEO, is developing a Request for Statement of Qualifications (RFSQ) for criminal justice research and evaluation services. The RFSQ will be used to establish a Master Agreement list of vendors to provide independent expert consultant services. The Master Agreement list will be made available to all County departments and partner agencies to evaluate both AB109 programs and other criminal justice related programs.

Each Supervisor February 25, 2014 Page 4

We had anticipated presenting the Master Agreement for Board approval in February 2014; however, some complications were encountered as to how departments would administratively access a CCJCC Master Agreement. These contract oversight issues are currently under review by the A-C and County Counsel. We will keep your Board apprised as we make progress toward releasing the RFSQ.

Should you have any questions, please have a member of your staff contact either Georgia Mattera, Public Safety, at (213) 893-2374 or David Turla, Public Safety, at (213) 974-1178.
